### **Valuations...**

Our Monday Open Valuations Day...

Monday has been re-instated as our regular day for 'one-to-one' personal 'on-the-spot' valuations, but will continue to be by pre-arranged, timed appointments.

Telephone our office to book a Monday Valuation Day appointment or for further information.

Appointments are available throughout the day; mornings at 9.30, 10.30 & 11.30am; & afternoons at 1.30, 2.30 & 3.30pm. Some safety precautions will remain in place & face masks for visitors are recommended but now optional.

These are free, informal & informative appointments always with Barbara herself & with no pressure to sell. They offer the appraisal & valuation of all types of antiques, art & collectables & specialist expertise for jewellery, silver, watches & other small valuables.

*Note: Valuation Days are not available for Mondays before an auction or Holiday Mondays...*

Other valuation appointments...

If you cannot attend on a Monday, our office can arrange an alternative appointment on another day when Barbara is available.

Home visit appointments...

Home visits appointments by Barbara can be arranged for large quantities of items, collections, family estates, house contents appraisal etc. Please telephone our office to discuss this further & arrange an appointment.

Direct delivery of entries for appraisal & valuation...

Alternatively, items can be delivered to our office for later appraisal & valuation by telephone or email. It is helpful if notice is given through our office before delivery.
