Appointment Arrangements for Appraisals & Valuations with Barbara Kirk...

Our Monday Valuations Day...

Mondays are our regular 'one-to-one', personal & private 'on-the-spot' valuation days. To avoid, queues & waiting times we have introduced a personal appointment system for a time to suit the client. Simply telephone our office to book a Monday Valuation Day appointment or for further information.

Appointments are available throughout the day; mornings at 9.30, 10.30 & 11.30am; & afternoons at 1.30, 2.30 & 3.30pm. Covid restriction have now been relaxed & face masks for visitors are now optional.

The appointments are free, informal & informative, always with Barbara herself & with no pressure to sell. They offer the appraisal & valuation of all types of antiques, art & collectables & specialist expertise for jewellery, silver, watches & other small valuables.

Note: Valuation Days are not available for Mondays before an auction or Holiday Mondays...

Other valuation appointments...

If you cannot attend on a Monday, our office can arrange an alternative, suitable appointment on another day when Barbara is available.

Home visit appointments...

Home visits appointments by Barbara can be arranged for large quantities of items, collections, family estates, house contents appraisal etc. Please telephone our office to discuss this further & arrange an appointment. Visits are free & without time limits.

Direct delivery of entries for appraisal & valuation...

Items can be delivered to our office for later appraisal & valuation. We report back to you by telephone or email. It is helpful to telephone first before delivery to check if your items are suitable for auction. Our auctions are for selected antique, vintage & collectable items, we do not hold general, household item auctions.
